

Anton G. Henssen M.D.

Work Experience

- Since 12/2016 **Clinical Fellow and Principle Investigator**
[Charité Berlin – Pediatric Hematology and Oncology, Berlin, Germany](#)
- 2013- 2016 **Post-doctoral Research Fellow**
[Memorial Sloan Kettering Cancer Center, New York, USA](#)
- 2012- 2013 **Pediatric Resident**
[Universitätsklinikum Essen, Germany](#)
- 2010- 2011 **Medical Intern**
[Hôpital Universitaire Robert-Debré, Paris, France](#)

Education

- 2006- 2013 **Doctoral Thesis Neuroscience, M.D.**
[RWTH Aachen, Aachen, Germany](#)
- 2004- 2011 **Medical School**
[Heinrich-Heine Universität, Düsseldorf, Germany](#)
- 2004 **Abitur**
[St. Ursula- Gymnasium, Düsseldorf, Germany](#)

Selected Scientific Presentations

- 2017 *Therapeutic targeting of PGBD5-induced DNA repair dependence in pediatric solid tumors, [Oral presentation](#), AACR annual meeting, Washington D.C., USA*
- 2016 *Targeting MYCN-driven transcription by BET-bromodomain inhibition. [Oral presentation](#), AACR annual meeting, Philadelphia, USA*
- 2015 *Human tumorigenesis induced by endogenous DNA transposase. [Poster presentation](#), AACR annual meeting, Philadelphia, USA*
- 2014 *BET protein inhibitor ,OTX015, has selective anti-tumoral activity in preclinical models of MYCN- amplified neuroblastoma. [Oral presentation](#), ANR Meeting, Cologne, Germany*
- 2014 *BET protein inhibitor ,OTX015, has selective anti-tumoral activity in preclinical models of MYCN- amplified neuroblastoma. [Poster presentation](#), AACR Annual Meeting, San Diego, USA*
- 2013 *BET bromodomain protein inhibition is a therapeutic option for medulloblastoma. [Oral presentation](#), Arbeitstagung für Pädiatrische Forschung, DGKJ, Düsseldorf, Germany*
- 2008 *Cytoarchitecture and Probability Maps of the Human Medial Orbitofrontal Cortex. [Poster presentation](#). Human Brain Mapping Meeting, Melbourne*

Awards and Research Grants

- 2017 AACR Scholar-in-training Award
- 2017 Junior Clinician Scientist Program Berlin Institute of Health
- 2017 Berliner Krebsgesellschaft Starter Grant
- 2008 Human Brain Mapping Award

Anton G. Henssen M.D., Berlin, June, 2017
